### **Evaluation and Announcement of Results**

1-The evaluation and placement of international student candidates are made by a special committee appointed by the Rector.

2-If the general cumulative grades are equal during the placement; the newer graduates will be ranked in priority.

3- During the placement, within the quota for each department, a primary list and a substitute list for successful candidates will be announced according to the exam results taken. If any candidates from the primary list do not register, then an equal number of candidates from the substitute list will be accepted for registration. Those who do not register until the deadlines will lose their chance for registration.

4- The successful candidates from primary and substitute list and required documents for registration are announced at <http://www.kilis.edu.tr>. The registration will be accepted on the deadlines announced on the webpage.

5- The final results of placement are announced on university webpage. An "Invitation Letter" for successful candidates is sent to their declared addresses.
